WOMBAT COIN

WHITEPAPER

What is Wombat Coin

This white paper is a reader-friendly description of a binance smart chain cryptocurrency. WombatToken is creating a completely new ecosystem Where people can invest in digital assets from all over the world with a low transaction and fee enabling a highly liberating, strategic, low-risk, and seamless trading experience in a truly decentralized way. wombat Token is a cryptocurrency that was established to save wombat animals.

wombat is committed to rescuing wombat and providing them with shelter and food. wombat is a leader in supporting creative techniques to help animals thrive, as well as building organizations and community groups around the world to assist in the development of wombat solutions. A total of 75B Tokens will be distributed on the network and a total of 5B will be transferred to the donation wallet. Wombat will follow an Airdrop concept with a total of 75B on the BEP 20 COIN.

VISION

Our purpose is to help create a decentralized community-oriented financial system by responsibly coordinating people, value, ownership, and reputation. wombat is going to create an ecosystem to increase your asset value. Building a safe and secure platform to earn a handsome income through staking. Wombat coin along with maintaining their privacy, security, and autonomy. We strive to create an ecosystem based on sound monetary policies, with a sound and solid decentralized foundation, that should be expected with the BEP 20 platform. Our goal is to help solve the global WOMBAT animal issue while also introducing the crypto space The World's Most Popular wombat Charity Token. We also envision is to use the token for charity to provide an ongoing income for charitable projects deemed appropriate for support by our community.

MISSION

Our mission is to "WOMBAT TOKEN to New Heights" by offering investors an innovative, user-friendly, one-stop-shop to find everything they need to buy, sell and hold tokens and make more profits by holding tokens. our mission has always been to make it as simple as possible to buy and sell cryptocurrency, while also being a leader in security, reliability, and custody as well as helping the community people in the Community is the number one value of the WOMBAT ecosystem. In the beginning, we asked if a project could succeed on the back of a decentralized, community effort. WOMBAT prevailed due to the strength of its community members and investors. Our collaborative, Like-minded community is the bedrock of the project. We believe utility is the foundation of value in the crypto space. WOMBAT was founded on the principle that the crypto space is greatly lacking in utility. We believe utility will foster adoption and growth in the crypto space, and WOMBAT believes it to be the brand loyalty reward system that people adopt due to its community-focused WOMBAT values providing everyone equal access to opportunities and resources. Simply put, all parts of a system interact with and rely on one another. WOMBAT believes in creating an interconnected system based on trust and reliability, that together is greater than its parts WOMBAT Charity WOMBAT is motivated to provide back to society so some supply is to be devoted towards charity organizations. Also, more announcements will be done on our socials and website. WOMBAT Charity Token offers a new way to address social problems. WOMBAT increases transparency and openness reduces transaction costs, and integrates the digital and physical world while increasing trust. Our vision is to use the token for charity to provide an ongoing income for charitable projects deemed appropriate for support by our community. Your votes decide the percentage of the total donated to each charity, as we want our contributions to be a reflection of what's important to you, our community.
